Xtreme Value Xemplified!

Xperienced innovators within the value oriented segment, SAPPHIRE delivers Xceptional value with the RADEON™ X300SE. The notion that price dictates features has fallen with the latest installment from SAPPHIRE, as the RADEON X300SE paints Xotic worlds erupting with life and realism unparalleled by any of its class. Intoxicating special effects will become the norm in your 3D Xperience, with hardware acceleration for all that DirectX® and OpenGL can make use of!

Xpect More!

Committed to constructing the pinnacle in price vs. performance, the SAPPHIRE RADEON™ X300SE is designed around the latest in techno-logical marvels, the PCI-Express interface. Boasting twice the performance of AGP 8x, Native x16 lane PCI-Express support, 128MB of onboard 64-bit DDR memory, and TV-Out func-tionality for big screen gaming, the RADEON X300SE provides the solution the user who Xpects More from their hardware!
